FALL / WINTER PROGRAM SCHEDULE

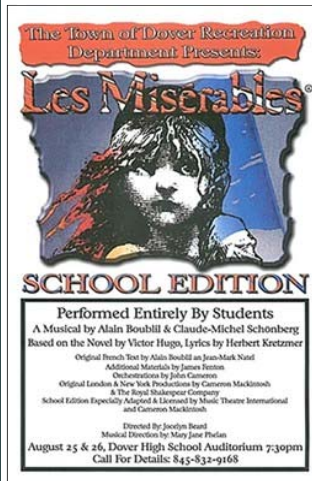

Dear Town of Dover Resident,

Please enjoy our Fall/Winter program full of activities for everyone. I believe you will find something to pique your interest and fill your hours. Our kick-off registration day will be September 30 in the Recreation Office at the Astor School in Wingdale from 9:00am to 2:00pm. You can also register anytime during normal recreation office hours. Please keep in mind that some of our programs have strict deadlines so be sure to register early. This is a very exciting time for our community. As you may have noticed, we are constructing two basketball courts, one tennis court and a temporary home for a skate park at Thomas J. Boyce Park in Wingdale. Just think of what the future holds for us - tennis lessons and a basketball program during the summer months. The possibilities are endless, our future looks bright. The Recreation Department is gearing up for a busy 2007 with the Town's Bicentennial celebration and new facilities. Check our website (www.TownofDover.us) often for more program updates. Please take advantage of the many programs Dover has to offer. Enjoy the beautiful fall foliage and have a warm and safe winter. Keep Smiling... Teri Ptasnick, Recreation Director

Theatre Lab

Winter-to-Spring Theatre Lab with Jocelyn Beard – An in-depth study of all aspects of theatre including history, the classics, playwriting, directing and of course, performance. Students will meet once a week with playwright/director Jocelyn Beard who will help them to discover and develop their own dramatic voices. This 12 week class will culminate in an evening of original material written, directed and performed by the students. Limited enrollment, open to high school students only. Program begins on Wednesday, December 13, at the Boyce Park Community Room in Wingdale, from 5:30 to 8:30 PM – Program Fee - \$90.00 per person. Family Discount applies for more than one member to join. **Program Code: 1120**

FOR THE LITTLE ONES

Tumbling Tots

This is an on-going program from September thru June. Program meets on Friday's at the Astor School in Wingdale from 9:30am to 10:30am for ages 18 to 36 months and from 10:30am to 11:30am for ages 3 to 5. This program is in its 16th year. Come join the fun! All children, accompanied by a parent, participate in various movement exploration activities. A series of obstacle courses are designed to experience physical fitness, using loco motor skills, exercise and creative fun. Each specific activity helps with coordination, peripheral vision, socializing and sharing. Parents interact with their children experiencing a fun loving atmosphere. A circle time activity each week includes learning rhythms, singing and dancing. Parents also experience social time meeting other new parents.
 Fee: \$45.00 per child - 8 week session, beginning September 22
Program Code: 1140

Playgroup

For all children from infants to five years of age. Our program runs from September to June on Tuesday's, 10:00am to 12:00pm at St. Charles Borromeo Church in Dover Plains. Parents accompany their children to experience a worthwhile social interaction with other children and adults. Creative play and free movement is a great way to learn how to get along and share with one another. A special arts and crafts time is included for children of all ages.
 Annual Fee: \$65.00 per family, beginning September 19
Program Code: 1150

Painting...Back by Popular Demand...

Photos of our

Site Plan for park area under construction

A Note from your Town Board:

Construction of two outdoor basketball courts, a tennis court, and a skate area is nearly complete at Thomas J. Boyce Park in Wingdale. When weather conditions permit, final coating and striping will take place, and the new facilities will be available for public use, most likely mid-October. The project, which follows the Town's longstanding Master Plan for the park, includes maintenance free fencing around the basketball courts, chain link fencing for the tennis court and skate area, and landscaping.

In the future, additional paving and coating will expand the number of tennis courts, and an area still will be set aside for skateboarding and in-line skating.
